CONROY REMOVALS LTD.
Conditions of Insurance (Transit and Storage)

1 PROPERTY DAMAGE

Clients should particularly note that damage caused by our vehicles to driveways, footpaths, underground pipelines, cables, sewerage or other underground installations is uninsurable. Should our staff be instructed by the Owner, Consignor, Consignee or Shipper, or any person acting on their behalf to drive any of our vehicles across an area where such damage is likely to occur, compliance with such instructions will not in any way involve the Company or its Insurers in responsibility for any subsequent damage which may be sustained. Such responsibility will rest solely in the hands of the Owner, Consignor, Consignee or Shipper.

2 RESPONSIBILITY FOR VEHICLE

It must be understood and accepted that the responsibility for the Company's vehicle and its contents remain with the driver. He has the right at all times to refuse to put his person or his vehicle and its contents at risk. If the Owner, Consignor, Consignee or Shipper considers that the driver's non-acceptance of his/her instructions is unreasonable, the Contracting Party has complete authority to place a collect call to the Head Office of the Company in order to discuss the matter with their Manager.

- 3** Notwithstanding any of the other provisions of the Carriage of Goods Act 1979 the Company shall not be liable as such for the loss or damage to goods occurring while the Company is responsible for them under a contract of carriage to the extent that the Company proves that the loss or damage resulted directly and without fault on the part of the Company from inherent vice or any breach of either of the terms implied in the contract by Section 17 of the Carriage of Goods Act 1979 (CONTRACTING PARTY TO WARRANT CONDITION OF GOODS etc) or seizure under legal process or saving or attempting to save life of property in peril.
